YANGON TRAVEL INFORMATION

Welcome to Yangon! This was once the administrative capital, now the commercial capital of Myanmar, with evergreen and cool with lush tropical trees, shady parks and beautiful lakes. Yangon once earned the name, "Garden City of the East". Founded in 1755 by King Alaungpaya of Third Myanmar Empire, and was named Yangon as a sign of peace, which literally means "no more enemies or dangers". Well, if one wants to make peace and stop fights or wars, come to Yangon.

Myanmar, British, Chinese and Indians had mixed influences over its colonial architecture, which is almost unique for today's world. You may feel like you are on a time-travel journey to a 19th-century British colonial town. Even today, Yangon resembles a city of the past, as seen by its longyi-wearing, dracula-looking betel-chewers, spitting pedestrians, their friendly or even familial attitude towards strangers, street-vendors and pungent smells.

Please keep this small booklet with you, as our partners will give you discount or FREE gifts, when you show this booklet when shopping or dining out. Good luck! Have fun traveling around Myanmar!

i TOP TOURIST ATTRACTIONS IN YANGON

01

Shwedagon Pagoda (ရွှေတိဂုံဘုရား) [8000 Ks]  
Being the largest golden monument on earth with 99 meters in height, Shwedagon Pagoda is the country's biggest tourist attraction, built approximately 2500 years ago. You may need 3 full hours to tour around Shwedagon. US President Barack Obama visited there in 2012. He endorsed visitors will be moved by the timeless idea of faith and love. Bygone kings and queens of Myanmar donated gold of their own weight to this golden stupa. The world's largest bell used to be here, before it was robbed and stolen. You will find that words cannot describe its beauty enough.

Sule, Center Point of Yangon (ရွှေ့တော်စင်္ကြံ)  
Sule Roundabout and Sule Pagoda is officially recognized as the official center point of original British Yangon. All of the nation's distance measurement starts from this zero-point. Yangon Mayor's office (the City Hall) and Emanuel Baptist Church (built in 1885) are located next to it. After Myanmar got independence from Great Britain in 1948, Independence Monument was built in the park, right in front of the City Hall. Myanmar architect Sithu U Tin designed this beautiful structure in 1925 and opened up a new era in secular Myanmar architecture.

Downtown walking tour (သုဘောဇာရုံခရီးစဉ်)  
Roughly a 2-hour walking tour (Please see the zoomed-in map on front cover.) is suggested to start at Sule Pagoda, earlier in the mornings to avoid hot afternoons. This walking tour will take you around a series of colonial heritage buildings, market places, and also Chinese and Indian neighborhoods. You will also set your foot on the oldest road in Yangon, called Shwedagon Pagoda road, which stretches from sea port to the Shwedagon Hill. One will come to understand the Yangonese life-style, along with tons of photo-opportunities. This tour will end at Bogyoke Aung San Market.

Bogyoke Aung San Market (ရဲခင်းပစ္စည်း)  
This day-time colonial shopping mall, built in 1926, is a one-stop bargain-hunt from 1,120 shops of souvenirs, local woven cotton clothing, paintings, artifacts, handicrafts, or even jewelries.

National Museum (အမျိုးသားပြေပွဲတိုက်) [5000 Ks]  
This museum houses the famous Lion Throne of the last Myanmar dynasty. This probably would be the grandest throne in the world of monarchs, when you simply compare it with those thrones of Egyptian Pharaoh or Chinese Emperors. It also exhibits the treasures of the third Myanmar Empire. Royal regalia are displayed including the golden shoe of Myanmar kings to ceremonial suits of ministers and generals 2 centuries ago.

Yangon Circular Train (ရွှေတိဂုံဘုရား) [200/400 Ks]  
150 years ago, British superintendent surgeon Dr. William Montgomerie designed this city-grid with a circular train-track, even to go to airport by train from downtown. (But not possible today.) This is a slow moving train, taking about 3 hours for the whole 45km 38-stop loop, which is fun because of the people that take it. Quite often, ordinary-class workers and street vendors fills up the train, going loop around suburbs the city.

Chauk Htat Kyi Buddha (ချောက်တဲအိကျိဘုရား)  
Visiting this reclining giant Buddha is an impressive sight. Chauk Htat Kyi literally means '6-storey' in Myanmar language. Length from head to toe is even greater than Statue of Liberty in New York. The statue's porcelain face is punctuated by expressive large eyes. Most visitors find it interesting about the decorated foot-prints at the far end. Just the opposite of road is Ngahtakyi Buddha (ငါးမာတဲကျိဘုရား), where you will find one of the most unique version of Buddha, seated and wearing a highly decorated armour. It is a less visited, but more enjoyable place.

Inside**08**

Botataung Pagoda (ပိတောက်ဘုရား) [US\$3]  
Located on the Strand Road, unique Botataung Pagoda has impressively gilded maze-like interior walkway, with relics of Buddha. This definitely is worth a visit. In conjunction with interesting river front, there is a lively market, leading up to the river shore and ferry landings. It is an area worth to explore. A coffee or ice-cream break at the classic Strand Hotel nearby would be a good choice.

Myanmar Orchestra at Karaweik Palace (ကားခေါင်)  
The complete Myanmar orchestra consists of 13 different musical instruments, totally different from the western orchestra. This is the only place in town, where you can go see a cultural show in the evenings. [30,000 kyats for an international buffet dinner] Great for a photo opportunity, but take a good flash for your camera. Karaweik, the hall that houses the performance and a dining hall, is another unique landmark of Yangon, in the shape of 2 huge mythical birds. Such royal barges were once dedicated only to be used for Kings, in the olden days. Get a royal experience, riding and dining on the royal barge.

Pg. 24**10**

Allied War Memorial Cemetery (အင်္ဂလိပ်တပ်မတော်အတွက်)  
Very well-kept, beautiful, and classically-designed park and a war memorial, with over 6000 graves and a memorial to 27000 soldiers of the Allied Forces. Commonwealth visitors should not miss this. A very moving reflection of war history of mankind. Not overrun by tourists and vendors. This will be a convenient stop, if you visit Bago, capital of the second Myanmar Empire (AD 1364-1752).
